- The gift cards come in the following denominations: \$10, \$20, \$25, \$50, \$100
- CFMA will profit 10% of all gift cards that are sold and that money in turn goes right back to the students; whether it be to help defray travel expenses, the purchase of new equipment, scholarship money, etc. The list goes on and on as to what and how the CFMA helps our Music Department.

WIRE CHOIR TO TRAVEL TO CHINA

The Wire Choir, which is Chi Hi's Dancing Orchestra, so to speak, has been selected as one of seven groups in the United States to go on an educational tour to China, in June of 2013. This is a HUGE honor to be selected to participate in this tour and we are very proud of the Wire Choir.

Good luck and safe travels as the group heads to China on June 18th.
